

Delaware Adopt-A-Wetland presents:

Wading into Wetlands Stewardship: an orientation workshop for adopters

Saturday, May 5, 2012

1:00 - 4:30 PM

DE Aquatic Resources
Education Center

4876 Hay Point Landing Rd.
Smyrna, DE 19977

Learn some neat new stuff about the wealth and worth of Delaware wetlands!
Enjoy a field trip to wetlands and experience their springing-to-life wonders!
Be among the first to try out a new tool for assessing the health of wetlands!
Access and explore some great hands-on loan kits for monitoring wetlands wildlife
Come away with a wealth of ideas that your organization, business, family, school, or
youth group, can use in care, monitoring and stewardship of their wetland habitats!
Meet other adopters and celebrate the achievements of our 2012 award winners!
The workshop is free, but space is limited. Wetland goodies will be provided!
